

Instructions for Audiology Application

Enclosed please find an **Application for Licensure** as an Audiologist as well as a **Verification of Audiology Licensure In Other State Form** and a **Supervised Practicum Verification Form** and a copy of the Law, Rules and Regulations covering Audiology in the State of South Dakota.

If you qualify for Audiology licensure under South Dakota Codified Law Chapter 36-24, and wish to become licensed, please complete the enclosed application. The supervised practicum verification form only needs to be completed if you do not have ASHA certification. If you have ASHA certification, please have ASHA send the board office **Proof of ASHA Certification**. The Verification of Audiology Licensure in Other State Form need only be completed if you have a current or expired Audiology or Hearing Aid Dispenser license in another state. You must submit a form to every state you ever held a license in.

Please have official **master's level college transcripts** sent directly to the Board of Hearing Aid Dispensers and Audiologists by the registrar of the college/university.

Along with your application, you must submit **a check for \$200** for an application for an annual license. You will then be required to pay a renewal fee of \$200 before July 1 of each year that you wish to remain licensed.

Should you have any questions, please feel free to contact this office.
